AWARD

Finch College Alumnae Award for Women in Leadership (Upper School Merit Scholarship)

The Finch College Alumnae Award for Women in Leadership was created to commemorate the long-standing relationship that my school holds with the women's liberal arts college. The award recognizes the movement for women and men to have equal educational opportunities. The award is given to a young female student who shows the ability to reinvent herself, shows uncommon leadership potential (academically and socially), and a lifelong learner.

LEADERSHIP & SERVICE

Robotics Team

President of Web Development | 9th-12th Grade

- Created the Web Development sector of my team for students who are interested in coding.
- Program website using HTML and CSS. Teach younger students to code and maintain the website.
- Lead female-initiative to diversify the team.

Student Prefect

Peer Leader | 11th-12th Grade

- Facilitate gender and consent courses for grade 10. Give weekly tours to prospective families.
- Mentor peers mentally, socially, and academically.
- Chosen by administration to share insights at admissions events by speaking on panels and hosting.

BBYO

President (N'siah) | 8th-12th Grade

- Coordinate a 6-person chapter board.
- Organize religious, educational, and social events.
- Travel for leadership conferences internationally to Israel, Texas, Baltimore, and Florida.

Glamour Gals

President | 9th-12th Grade

- Visit elderly homes to paint nails and provide companionship to alleviate isolation.
- Plan community events for both students and parents.
- Managed shift to COVID-compliant events by writing letters to the elderly homes.

Range Lifestyle Magazine

President | 9th-12th Grade

- Designed 15 editions of my school's lifestyle magazine.
- Encourage 60+ students to write articles discussing social justice, current events, and mental health.
- Featured on school's Instagram.

Varsity Soccer Team

Captain | 7th-12th Grade

- Coach players on and off the field.
- Recruited in 7th grade from my club team as the youngest player to ever be on the team.
- Created team traditions like senior day, team dinners, and themed practices.

Peer Tutoring

Volunteer | 9th-12th Grade

- Mentor younger students both academically and mentally.
- Tutor students in math and science from K-8th grade.
- Communicate with the student's parents and teachers ensuring an upward trajectory in their grades.
